📍 Address: Village: Akandopara, P.O: Koijuri, Upazila: Delduar, District: Tangail, Division: Dhaka,

🚩 Nationality: Bangladeshi

👤 SUMMARY

Dedicated **Electronics Engineering Professional** with over 3 years of hands-on experience in industrial maintenance, system troubleshooting, and electronic servicing. Proven track record in overseeing technical operations and ensuring 100% system reliability through expert diagnostic skills. Strong academic background in Electronic Technology and a commitment to process optimization within engineering environments

🎓 EDUCATION

10/01/2024 – 10/01/2027 Dhaka, Bangladesh	Bachelor of Science, Computer Science Prime Asia University
01/08/2016 – 01/08/2020 Dhaka	Diploma, Electronic Technology Dhaka Polytechnic Institute CGPA 3.86 out of 4
01/2015 – 01/2016	Mukul Niketon High School GPA 5 out of 5 Board : Dhaka Group : Science

SKILLS

CORE ENGINEERING SKILLS

- **Technical:** Electronic System Diagnostics, Circuit Troubleshooting, Electrical Wiring.
- **Maintenance:** Preventive & Corrective Maintenance, Device Repair, Process Optimization.
- **Tools:** Digital Multimeters, Oscilloscopes, Soldering Stations, Circuit Testing Tools.
- **Software:** MS Office, MS Excel, Basic CAD for Electronics.
- **Professional:** Project Management, Team Collaboration, Technical Reporting.

ADMINISTRATIVE & DIGITAL LITERACY

- MS Word:** Professional technical report writing, documentation, and drafting maintenance logs.
- MS Excel:** Data entry, creating maintenance schedules, and tracking inventory/spare parts.
- MS PowerPoint:** Creating technical presentations and safety briefings for engineering teams.
- Internet Proficiency:** Online research for technical specifications, sourcing components, and professional email communication.

EXPERIENCE

01/2022 – Present
Tangail

Maintenance Supervisor

Bangladesh Bondhu Foundation

- **Industrial Troubleshooting:** Managing end-to-end maintenance engineering tasks and troubleshooting for complex industrial systems.
- **Security & Networking:** Expertly maintaining CCTV surveillance systems, computer networking infrastructure, and Fingerprint (Biometric) machines to ensure organizational security.
- **Process Optimization:** Supervising technical teams to implement system reliability protocols and operational improvements.
- **Electrical Diagnostics:** Utilizing deep expertise in electrical wiring and IC-level diagnostics to minimize system downtime.

01/2021 – 01/2022

Officer 1

Walton Micro-Tech Corporation Ltd.

- **Lead Servicing Technician:** Served as a lead officer for the repair and maintenance of high-end consumer and industrial electronic systems.
- **Hardware Diagnostics:** Performed advanced hardware diagnostics and precision repairs on high-precision electronic equipment to maintain operational standards.
- **Technical Efficiency:** Collaborated closely with the production team to ensure strict quality control and improve overall technical efficiency during the servicing process.

DECLARATION

I do hereby declare that all the information provided above is true to the best of my knowledge and belief. I am ready to provide supporting documents upon request.
